The Tillsonburg Minor Soccer Club (TMSC) offers exclusive field sponsorship opportunities for businesses and organizations looking to increase their visibility while supporting the growth of soccer in our community.

Field sponsors receive prominent recognition through the placement of a large sponsorship sign in a highly visible location adjacent to their designated field. Sponsors are also recognized through the official field name used in club schedules, communications, and field assignments published on the Club website.

With more than 1,200 registered players, hundreds of family members, and thousands of visitors from across Southwestern Ontario attending tournaments, league matches, and events each season, field sponsorship provides a unique and impactful way to connect with a large and engaged audience.

Sponsorship terms of 10, 15, and 50 years are available.
